

## Welder/Fabricator - vehicle body builder

Tired of the same repetition and needing some great job satisfaction?

Want to help change the lives of people with a disability?

In response to the recent completion of a new vehicle models and an increasing workload, we're looking for skilled tradespersons with welding and vehicle body building skills to join our dedicated team at our Montrose premises.

Automobility is a leader in the manufacture of lowered floor wheelchair accessible vehicles. We require an enthusiastic self-motivated person to join our team on a full-time basis. We pride ourselves on quality workmanship and customer service. We offer excellent working conditions for all employees and organised social events.

### Duties and responsibilities

- Manufacture framework sections in metal, by working from engineering drawings, and by using fabrication machinery, all types of welding and cutting equipment.
- Form complete frameworks by welding or bolting sections to the vehicle's frame.
- Fabricate panels used to cover the framework by cutting, forming and attaching panels of sheet metal, aluminium, stainless steel or reinforced plastic.
- Fit axles, suspension and brakes.
- Fit mechanised equipment, such as winches and hoists, to various types of vehicle chassis.
- Install door handles, locks and hinges.
- Carry out design work and alterations in consultation with engineers or alter assembly line vehicles to special requirements.
- Follow OH&S procedures and guidelines.
- Ongoing training within the "lean" environment.
- Inspection of work for quality as per inspection schedules

### Applicants must have:

- Relevant trade qualifications/experience
- Ability to follow processes with limited supervision
- Own Hand tools
- Drivers licence

The position reports to the production leading hand and is at our Montrose premises. Training and instruction provided.

Hours are day shift Monday to Friday 7:00am to 3:10pm, Overtime is available.

Automobility is an equal opportunity employer.
