“Chloe has the independence and freedom to enjoy interstate travel, camping trips, concerts and sporting events... thanks to our wheelchair car conversion from Automobility.”

— Andrea O’Neill, VIC.

About us...

Automobility has set the benchmark for wheelchair access vehicles since 2001. Our personalised approach underpins our core values and enables us to organically evolve with changing technology and individual needs.

All vehicles modified by Automobility meet and exceed Australian Standards.

Enabling Life’s Journey

Core Values

Customer Oriented

“Our customers’ expectations are as important to us as they are to our customers.”

Integrity

“At all times we will ensure that our conduct, advice and recommendations have our customers best interests foremost in our minds.”

Excellence

“To provide products and services of the highest achievable standards of design, quality and functionality.”

“My Automobility conversion gives me independence. I visit family and mates, enjoy Friday afternoon at the pub, and as well as fishing, camping and shopping when I like. I am only limited by my mind!”

— Les Coad, VIC.

About you...

Automobility will guide you through a comprehensive assessment process so that we can recommend the right solution.

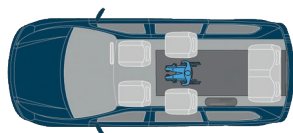

We work closely with the NDIS, TAC, Workcover, Occupational Therapists, Disability Organisations and private clients Australia-wide.
